

The Great White Wall

2022 - 2025

Dubbed as 'One of the Top 10 Dive Sites in the World' by legendary scuba diver, Cousteau himself, the Great White Wall is a sheer wall of white soft corals and is best seen and accessed on a slack low tide.

It is recommended that all scuba divers have an Advanced Diver Certification to dive this site. You can complete a 2 day PADI Advanced Dive Course with our PADI Instructors, while staying in Paradise.

Only a 30 minute boat cruise from Paradise Taveuni Resort, the Paradise Dive Team dives the Great White Wall on Rainbow Reef as often as possible so that our scuba diving Guests can see this spectacle at it's best.

Please note: the dates below are the best dates for us to access the Great White Wall, however weather and water conditions on the day will also determine whether we dive this site or not. Our experienced Dive Team will assess the site on arrival to ensure it is safe for all concerned.
